Formulación de preguntas

Existen dos tipos de preguntas en inglés.

1. Las denominadas "Yes / No questions":

Son aquellas preguntas que en inglés pueden responderse con "yes" o "no". Éstas siempre se inician con un verbo auxiliar.

Por ejemplo:

-Will your life change after graduation?
-Yes, a lot!! I will have a better life.

2. Y las denominadas "Information or question word (WH) questions":

Estas preguntas comienzan con una palabra interrogativa con la intención de obtener información más detallada sobre algo. Las palabras interrogativas más comunes son las siguientes:

What: Qué? Cuál/es?	**Where: Dónde?**	**Who: Quién/es?**
Whose: De quién/es?	**When: Cuándo?**	**Which: Cuál/es?**
Why: Por qué?	**How: Cómo?**	**How big: Cuán grande?**
How much/many: Cuánto/s?	**How long: Cuánto tiempo?**	

How far: Cuán lejos?   **How often: Con qué frecuencia?**

Por ejemplo:

What are you going to do after graduation?
I'm going to look for a job in my field of study.

<div style="background-color:red; text-align:center;">

¡Atención!

</div>

En aquellas preguntas en que las palabras interrogativas **who / what/ which / How many** se convierten en el **subjeto** de la pregunta, ésta **NO lleva auxiliar** y el verbo se conjuga a algún tiempo verbal.

Who helped you during your studies?
What happens?

Estructura para formular preguntas:

Tense	Wh- word	Auxiliary	Subject	Verb base	Object	Complement?
